You will need to use the username and password provided in this email to login.

## System Compatibility Test Enable Permissions

1

Allow the use of the  
microphone and  
camera.  
Select *Allow*.

2

Allow the sharing of  
your location.  
Select *Allow*.

3

If this is your first time using  
ExamOnline, you are likely to see a  
FAIL result. You now need to  
enable Screen Sharing. Select on '?'  
question mark for guidance.

# OVERALL STATUS	FAIL ❌

1

Return to your  
ExamOnline Tab with  
the FAIL status.

2

Refresh or reload the  
web page now that  
you have done the  
installation.

## Complete System Compatibility Test

Once you have granted permissions, completed this setup, and passed your compatibility test, you won't need to do it again.

If you switch computers, you will need to redo this process.

So best to setup on the computer or laptop you are going to use for your actual exam!
